INSULATED CASSROLES

KEEP YOUR FOOD HOT AND COLD

Welcome to MANGALAM INDUSTRIES, one of the leading manufacturers, wholesale suppliers, distributors and exporters of Thermoware and houseware products across the globe. Since its inception in 2005, it has carved a niche for itself amongst its customers as a pioneer in high quality and affordable products

We, at FRESHCO have been consistently striving to bring to you hygienic superior quality of Plastic Thermoware, Vacuumware, Gifts, Novelty & Household products through constant innovations, research and development.

Today, the company is propelling ahead with numerous products under the FRESHCO brand and has become a pride of every home across India and other global destinations.

Our products are designed for people who appreciate and desire quality. They are high on utility & style and are positioned at affordable prices to suit the requirements of the consumers.

FRESHCO is a trusted name across India and enjoys a steadily growing brand loyalty.

The company is also involved in gifting concepts with many Pharma, Media and FMCG companies.

The company is also specialized in O.E.M. for many known brand.

It is our quest for excellence that has also helped us to develop a unique concept 'PRESERVO' - a guaranteed temperature control system which keeps, hot contents hot and cold contents cold for hours, without the external temperatures affecting it.

Our Modern & State of the art Infrastructure, including our factory, is geared and customized exclusively for high volume and high quality plastic production. Our custom-made standard operating procedures are being monitored by our ERP System have helped us achieve ISO 9001:2000 Certification.

Come!!!! Discover a world of quality products at great value from the house of

Keeps food hot or cold
for long hours
